

## 2024 Annual Enrollment

Dear Chaplains to the Retired:

Post-65 former employees (“retirees”) will no longer be required to make their Delta Dental plan selection during Annual Enrollment for dental coverage through The Episcopal Church Medical Trust in 2024.

Retirees will be enrolled in the Delta Dental plan option similar to their current Cigna dental plan before Annual Enrollment begins. See the table below. Retirees can view and change their Delta Dental PPO + Premier™ plan option during Annual Enrollment. *Making changes is optional, not mandatory.*

2023 Cigna Plan	*NEW* 2024 Delta Dental Plan
Preventive Dental →	Delta Dental Basic
Basic Dental →	Delta Dental Comprehensive
Dental & Orthodontia →	Delta Dental Premium

Find out more about the Delta Dental plan options at [cpg.org/deltadental](https://cpg.org/deltadental) or by calling Delta Dental at (888) 894-7059.

Our Annual Enrollment communications with retirees are starting the week of September 25 with a pre-announcement letter and email introducing them to Delta Dental. We’re encouraging retirees and surviving spouses to create or sign in to [MyCPG Accounts](#) so that they’re ready for Annual Enrollment. Retirees will also be able to review and update their beneficiaries on MyCPG Accounts in the new “Beneficiaries” tab.

If retirees need help with Annual Enrollment, they can call Client Services at (866) 802-6333, Monday to Friday, 8:30 AM to 8:00 PM ET.

Thank you for all you do to help us support our retirees.

Faithfully,

The Rev. Laura Queen & Sean Scheller
